Care Suggestion

OUTSTANDING PERFORMANCE

High UV Protect		Solution-dyed process makes our fabrics highly resistant to UV light, color fastness to light up to 1000 hours.
Superior Water Resistant		Different grades are available in different use environments, the highest standard can achieve 100% full waterproof.
Excellent Weatherability		Made to withstand the elements, won't spoil from exposure to rain or humidity.
Environmental Friendly		Have less pollution, we save water and dyestuff pollution by using the solution dyed process.
Soft Hand Feel		Different than normal olefin fabrics, our olefin has very soft hand feel, it is safe for direct skin contact.
Degradable		Our olefin fabrics will not cause white garbage in landfill.
